IMPRISONMENT

As to Count 1 of the information, it is adjudged that the defendant is committed to the custody of the Bureau of Prisons for a term of 240 months. I recommend that the defendant receive educational and vocational training. I also recommend that the defendant participate in substance abuse treatment, including RDAP, and undergo a mental health evaluation and subsequent treatment, if deemed necessary. I recommend that the defendant be afforded prerelease placement in a residential reentry center with work release privileges.

The defendant has a pending case in Winnebago County, Illinois, Circuit Court Case No. 2003CM6753 for conduct unrelated to the instant federal offense. In light of the Supreme Court ruling in *Setser v. United States*, 132 S.Ct. 1463 (2012), I recommend that any sentence imposed in that state case runs concurrent to the instant federal offense.

The U.S. Probation Office is to notify local law enforcement agencies, and the state attorney general, of defendant's release to the community.

I have executed this judgment as follows:

SUPERVISED RELEASE

The term of imprisonment is to be followed by a life term of supervised release. In light of the nature of the offense and the defendant's personal history, I adopt condition numbers 1 through 9, 11 through 24 as proposed and justified in the presentence report. Neither party has raised any objections to the proposals. (Defendant waived reading of the conditions.)

If, when the defendant is released from confinement to begin his term of supervised release, either the defendant or the supervising probation officer believes that any of the conditions imposed today are no longer appropriate, either one may petition the Court for review.

Defendant is to abide by the statutory mandatory conditions.

Statutory Mandatory Conditions

Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons.

Defendant shall not commit another federal, state, or local crime.

Defendant shall not illegally possess a controlled substance.

If defendant has been convicted of a felony, defendant shall not possess a firearm, destructive device, or other dangerous weapon while on supervised release.

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Financial Penalties sheet of this judgment.

Defendant shall comply with the standard and special conditions that have been adopted by this court.

Standard Conditions of Supervision

- 1) Defendant shall not leave the judicial district in which defendant is being supervised without the permission of the Court or probation officer;
- 2) Defendant is to report to the probation office as directed by the Court or probation officer and shall submit a complete written report within the first five days of each month, answer inquiries by the probation officer, and follow the officer's instructions. The monthly report and the answer to inquiries shall be truthful in all respects unless a fully truthful statement would tend to incriminate defendant, in violation of defendant's constitutional rights, in which case defendant has the right to remain silent;
- 3) Defendant shall maintain lawful employment, seek lawful employment, or enroll and participate in a course of study or vocational training that will equip defendant for suitable employment, unless excused by the probation officer or the Court;

- 9) Defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer;
- 10) Not imposed;
- 11) As directed by the probation officer, defendant shall notify third parties of risks that may be occasioned by defendant's criminal record or personal history or characteristics. 15) Participate in mental health referral, assessment and treatment as approved by the supervising U.S. probation officer and comply with all rules, regulations and recommendations of the mental health agency or its representative to the extent approved by the supervising U.S. probation officer. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it.

16) Participate in substance abuse treatment. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it. 17) Defendant shall provide the supervising U.S. probation officer advance notification of any devices associated with or falling within the general category of information technology (IT) that produce, manipulate, store, communicate or disseminate information used by defendant. This includes external and portable hard drives. The probation office is authorized to install applications to monitor any such devices owned or operated by defendant. Defendant is required to comply with the monitoring agreement and may not disable or circumvent any applications. Defendant shall consent to and cooperate with unannounced examinations of any technological equipment owned or used by defendant, including but not

This provision does not include persons under the age of 18, such as waiters, cashiers, ticket vendors, etc., with whom defendant must deal in order to obtain ordinary and usual commercial services.

20) Not work in any occupation, business or profession, or participate in any volunteer activity where defendant has access to children under the age of 18 without the prior approval of the supervising U.S. probation officer.

CRIMINAL MONETARY PENALTIES

Defendant shall pay the following total financial penalties in accordance with the schedule of payments set forth below.

<u>Count</u>	<u>Assessment</u>	<u>Fine</u>	<u>Restitution</u>
1	\$100.00	\$0.00	Not determined
Total	\$100.00	\$0.00	Not determined

It is adjudged that the defendant is to pay a \$100.00 criminal assessment penalty to the Clerk of Court for the Western District of Wisconsin immediately following sentencing.

The defendant is to pay mandatory restitution to the U.S. Clerk of Court for the Western District of Wisconsin. However, at this time, restitution has not been requested. Restitution will be held open for a period of 60 days.

The defendant does not have the means to pay a fine under § 5E1.2(c) without impairing his ability to support himself upon release from custody so I will not impose a fine.

Based on the offense of conviction, the defendant is required to pay a \$5,000.00 assessment under the Justice for Victims of Trafficking Act of 2015, unless he is indigent. The defendant has been appointed counsel and does not have the financial resources to pay his assessment. I find that the defendant is indigent and the assessment is waived.

SCHEDULE OF PAYMENTS

Payments shall be applied in the following order:

- (1) assessment;
- (2) restitution;
- (3) fine principal;
- (4) cost of prosecution;
- (5) interest;
- (6) penalties.

The total fine and other monetary penalties shall be due in full immediately unless otherwise stated elsewhere.

Unless the court has expressly ordered otherwise in the special instructions above, if the judgment imposes a period of imprisonment, payment of monetary penalties shall be due during the period of imprisonment. All criminal monetary penalties, except those payments made through the Federal Bureau of Prisons' Inmate Financial Responsibility Program, are made to the clerk of court, unless otherwise directed by the court, the probation officer, or the United States Attorney.

The defendant shall receive credit for all payments previously made toward any criminal monetary penalties imposed.

In the event of a civil settlement between victim and defendant, defendant must provide evidence of such payments or settlement to the Court, U.S. Probation office, and U.S. Attorney's office so that defendant's account can be credited.
